This is a written Bush Poetry competition and therefore is for poems written with consistent rhyme and metre. There is also the requirement that the theme or subject matter must be Australian by nature. Building a snowman in your front yard would only be considered “Australian” if the home was in the Snowy Mountains or certain parts of Victoria or Tasmania. The scope of “about Australia, Australians or the Australian way of life .” is wide but still must be considered. It may be the deciding factor.
